SWIMMING LESSONS

We are now in to the second week of the 10-day swimming program for children in Pre Primary to Year 6. Thank you very much to all our parents for ensuring the children are ready for swimming each day of the program. The children have been very keen to improve their swimming skills. Thank you to our staff for their work with looking after the children during this time and to Ms Kate Rennie for all her work with organising the smooth running of the swimming program.

WALK TO SCHOOL DAY - FRIDAY 19 MAY

Walk to School Day will be celebrated on Friday 19 May at Lake Monger Primary School. In fact, if you ride or scoot to school on this day, this activity will be included in the Walk to School official participation statistics for this day. When you arrive at school in the morning, walk on down to the undercover area where Mr Douglass will be there to acknowledge your participation in this event with a piece of fruit and a sticker. Happy walking, riding or scooting!

SCHOOL BOARD and NEW SCHOOL BOARD PARENT MEMBER REQUIRED

The School Board information file is available to parents in the front office. School Board information is also available on the school website. The next meeting of the school board is on Wednesday 21 June commencing at 2.40pm. The open meeting of the school board will be held on Wednesday 8 November commencing at 2:40pm.

We are requiring a new parent member on our school board commencing Wednesday 21 June due to Ms Alexia Caraes' departure. We would like to thank Ms Caraes very much for all her time and work on the board and wish her and her family all the very best for their next big adventure.

The length of office will be until the end of the year. Nominations are now called for and close on Wednesday 7 June at 4:00pm. Please complete the nomination form attached with the newsletter and either email or return the completed form to the front office. If a number of nominations are received, then an election will be held. If you would like to know more about the school board, please contact Mrs Lucy Hopkins, School Board chair, Ms Diane Tomlinson or a School Board member.

HOODED RAINCOATS/ RAIN JACKETS (KINDERGARTEN – YEAR 6)

Winter's arrival is imminent. It would be appreciated if parents could provide (to be kept in their child's bag should it be needed) either a hooded raincoat or rain jacket with the child's name on the item. This is needed should it be raining when the children go to and from the under cover area and the toilets. Please do not provide umbrellas for safety reasons.

YEAR 4 PEAC TESTING

The Year 4 PEAC testing will be held on Tuesday 1 August commencing at 8:40 am. Further information will be out to parents closer to the event. If you have any queries in the meantime, please contact Ms Rennie.

NEW YEAR 1 CLASS

Due to unforeseen changes with the number of students enrolling in Year 1 after the start of the 2023 school year, it has been decided to operate two Year 1 classes commencing on Monday 22 May. The new Year 1 class will be located in the current EALD room. EALD lessons will now be held in the library.

ARRIVAL AT SCHOOL

Apart from children attending the Breakfast Club or involved in before school events under teacher instruction e.g. Recorder Club, Maths groups, children are not expected at school until 8:20 am.

Speech and language disorders

A speech disorder is when a child has difficulty pronouncing sounds correctly for their age. If it is not corrected, it can affect the ability to read and write. It may be necessary to seek help for your child if he or she:

- has trouble moving or coordinating his or her mouth
- is six months or more behind the approximate age range for speech sounds
- speaks very immaturely compared to other children the same age
- gets frustrated about speaking
- has hearing loss, and/or
- is poorly understood by people who don't know your child.

A language disorder is characterized by delays in learning to talk and understand language. It is different to a speech disorder – a speech disorder is when children have difficulty pronouncing words correctly.

It's important to remember that children learn to speak at different rates, but if you do have concerns about your child's speech and language development, talk to your local Community Health. Go to Raising Children Network and access information on Language Development.
