NEWSLETTER

Dear Parents

SCHOOL DEVELOPMENT DAY FRIDAY 29 MAY (NO SCHOOL FOR CHILDREN ON FRIDAY 29 MAY)

On Friday 29 May Teachers and Education Assistants will be involved in professional learning and therefore there is no school for children on this day. Teachers will be receiving professional learning in Trauma Informed practises and Literature Based Units, while Education Assistants will receive professional learning in Classroom Management Skills.

Due to the WA long weekend there is a public holiday on Monday 1 June. Therefore we look forward to seeing the children back at school on Tuesday 2 June.

NATIONAL WALK TO SCHOOL DAY

National Walk (Ride, Scoot) to School Day was celebrated on Friday 15 May at Lake Monger Primary School. Despite the weather, one hundred and thirty-eight children from across the school participated in this event. Thank you to Mr Justin Douglass for making all the arrangements and to our P&C for providing the raisin toast. This very successful activity will be posted on the 'Your Move' page.

RUNNING CLUB

The running club, held on a Wednesday morning before school, 7:30am to 8:30am, is off to a great start with children from Year 3 to Year 6 participating. Thank you to Mr Justin Douglass for bringing this program to our school.

PREMIERS' READING CHALLENGE – Reading Can Take You Anywhere

As you would be aware we have Reading for Meaning as a priority area in our school. The Premier's reading challenge is now open for children from Kindergarten to Year 10. For further information and to join the program, please visit <https://www.premiersreadingchallenge.wa.edu.au/>

SCHOOL VALUES

Our school values of Honesty, Creativity, Respect, Responsibility, Caring and Perseverance are always prominently on display at Lake Monger Primary School. We have the visuals of our six values in the undercover area, front office, conference room and in classrooms; however, the way the children from Kindergarten to Year 6 consistently display our six values on a daily basis at school, is an embedded practice. Every assembly the values box is full of values raffle tickets, which is testament to the number of children noticed by staff displaying our values. Our Values program continues to be enhanced with the continuation of the Positive Behaviour Support (PBS) program. Thank you very much to our parents for supporting your children with our school's values program.

Nyungar Words For the Week

Here are a selection of Nyungar words translated into English. With the phonetic pronunciation. Only over the last 50 years have we been collating our words and writing them down, as the previous 60,000 years, they were passed down verbally.

Nyungar	English
Kwelena "Kwe Le Na"	Dolphin
Yonga "Yon Ga"	Grey Kangaroo
Kooyar "Ku Yar"	Frog
Dwert "D Were T"	Dog
Marli "Mar lee"	Black Swan

Dental Van

Please contact the Mobile School Dental Therapy Van on 0408 926 794.

FACTION CROSS COUNTRY

The Faction Cross Country event for selected children in Years 3 – 6 will be held on Friday 5 June commencing at 11:00am on the school oval. Thank you to Mr Justin Douglass for his work with this event. Parents are most welcome to attend.

INTERSCHOOL WINTER CARNIVAL

The Interschool Winter Carnival will be held on Friday 12 June for children in Years 4 – 6. The children will participate in either netball, football, volleyball or soccer. Thank you to parents who are available to come along to the carnival and support the children. Thank you to Mr Justin Douglass for making the arrangements for the event.

COLLECTING CHILDREN FROM SCHOOL DURING THE SCHOOL DAY

All parents from Kindergarten to Year 6 must report to the school office upon arrival, when collecting their children from school during the school day. Parents will be provided with a printed slip to present to their child's teacher.

UNIFORM

All the children have been great with the wearing of their hats. Hats are worn all year round. Thank you also to parents for ensuring children are wearing their correct school uniform including their green Winter jacket. Just a reminder that denim and leggings worn under skirts, skorts and dresses; and weekend jackets are not a part of the school uniform.

HOODED RAINCOATS/ RAIN JACKETS (KINDERGARTEN – YEAR 6)

It would be appreciated if parents could provide (to be kept in their child's bag should it be needed) either a hooded raincoat or rain jacket with the child's name on the item. This is needed should it be raining when the children go to and from the under cover area and the toilets. Please do not provide umbrellas for safety reasons.

CROSS WALK ATTENDANT

Please ensure when crossing busy Harborne Street with the cross-walk attendant both before and after school, that you wait for the attendant to blow his whistle prior to crossing. Thank you to children and parents for crossing safely.

PARENT PARKING

Thank you to parents for parking in a car parking bay on Dodd St when dropping children off in the morning and picking them up in the afternoon. Please do not drop off or collect children from the road because this creates a potentially dangerous situation. The Kiss and Drive is available for this purpose.

PARENT USE OF FACILITIES

Parents are reminded to please use only the staff toilets while on school grounds.

APPLICATIONS FOR ENROLMENT FOR KINDERGARTEN, PRE PRIMARY 2027 (Closing date Friday 24 July 2026)

Enrolments are now open for Kindergarten and Pre Primary in 2027.

Please find the application on our website <http://www.lakemongerps.wa.edu.au/enrolment.html> and submit along with your documents to lakemonger.ps@education.wa.edu.au. Many families missed out on a place for Kindy this year so if you know of someone requiring a place for 2027, please let them know. Closing date for applications is Friday 24 July 2026. Current Kindy families will need to fill out a new enrolment form for Pre-Primary 2027.

Speech and language disorders

A speech disorder is when a child has difficulty pronouncing sounds correctly for their age. If it is not corrected, it can affect the ability to read and write. It may be necessary to seek help for your child if he or she:

- has trouble moving or coordinating his or her mouth
- is six months or more behind the approximate age range for speech sounds
- speaks very immaturely compared to other children the same age
- gets frustrated about speaking
- has hearing loss, and/or
- is poorly understood by people who don't know your child.

A language disorder is characterized by delays in learning to talk and understand language. It is different to a speech disorder – a speech disorder is when children have difficulty pronouncing words correctly.

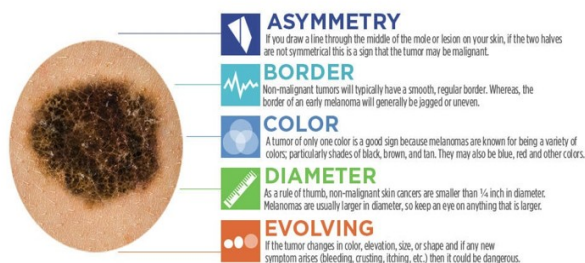

It's important to remember that children learn to speak at different rates, but if you do have concerns about your child's speech and language development, talk to your local Community Health. Go to Raising Children Network and access information on Language Development.

ASSEMBLY

Thank you to the Year 3 Lime class and Miss Caitlin Clarke and Mrs Cassandra Gerrans for presenting their assembly item on Friday 15 May. The children are to be congratulated on their item 'Stand By Me' which recognised the International Day of Families. This was thoroughly enjoyed by the audience. Congratulations to the following children who received awards at this assembly –

MUSIC NEWS

This term during Music Sessions, for the Year 5, 5/6 and 6 classes, we welcome visiting artist Carole Katz, who will work alongside Ms Ruddock to teach students the process of creating their own songs as part of the New Noise program by West Australian Music WAM.

Carole Katz is a Reunion Island-born singer-songwriter and front woman of the award-winning Creole Island Folk band Tchéga (@tchegamusic).

Growing up on a multicultural French island with parents from Madagascar, Carole was immersed from an early age in a rich tapestry of cultures, music and stories. Living in Perth deepened Carole's appreciation for her island heritage including the tropical rhythms of sega and maloya which she embraced and honoured over a decade of colourful performances in WA and Victoria.

The Year 3 students have been selected to be Channel 9's Junior Weather Watch presenters and had a special visit from Natalia Cooper who took the children through a weather lesson. The students will feature on Channel 9 news this week at both 4pm and 6pm where they will present the maximum temperature for each day. The highlight of the morning was having a tour through the Channel 9 news van!

COMMUNITY NEWS
