

Newsletter 15 2026

COMING EVENTS

It's shaping up to be another busy and exciting week at Lake Monger! Here's what's happening around our school.

Farmyard on Wheels – Tuesday 20 October

Our Kindergarten students are in for a treat as Farmyard on Wheels visits Lake Monger! This hands-on experience is sure to bring plenty of excitement, curiosity and smiles.

Reconciliation Walk - Thursday 22nd October

Our students will have the opportunity to participate in the Reconciliation Walk, coming together to reflect on the importance of respect, understanding and reconciliation.

Freo Fundamentals – Wednesday 21st October

There'll be plenty of action as Freo Fundamentals joins us to help students develop their football skills. A great opportunity to build confidence, teamwork and have fun being active!

Year 2 Assembly – Friday 23 October

Our Year 2 students are busy preparing for their assembly this Friday. We look forward to welcoming families along to celebrate their hard work and enjoy their performance.

Tortoise Bike Race - Thursday 29 October

8:00 - 8:30am on the basketball courts

As part of Bike Month. Please look out for the Connect notice with more information.

WA Cricket free, not-for-profit program. Tuesday Nov 3,10,17,24

From 3:30pm- 4:30pm on the school oval.

A Message from Our Principal

A Message from the Principal

Dear Lake Monger Families,

What a wonderful first week at Lake Monger Primary School! I want to start by saying a heartfelt thank you to everyone who has made me feel so welcome. I've loved getting out into classrooms, meeting the children and beginning to get to know our school community. There have been plenty of new names to remember, but also lots of friendly faces, smiles and conversations that have made my first week such a positive experience.

I've also been so impressed by the fantastic facilities being built for us and our current learning spaces we have here at Lake Monger. What an incredible environment for our children! Of course, it's the people who really make a school special, and I'm looking forward to getting to know our students, staff and families even better over the coming weeks.

We've certainly hit the ground running in Term 4! Last week, students enjoyed the Djuripin Kaa Kaa incursion, while our Year 6 School Councillors had the opportunity to visit Parliament House. I love seeing our children have experiences that take their learning beyond the classroom and open their eyes to new possibilities.

Our staff also came together for our School Development Day on Monday 12 October. We spent time exploring our NAPLAN data, reflecting on where we are as a school and, importantly, where we want to go. It was a valuable day of professional conversations as we considered our priorities and areas of focus for 2027. I'm excited to work alongside our dedicated staff as we continue building on the great things already happening at Lake Monger.

And there's no slowing down this week! We have Farmyard on Wheels visiting, our Reconciliation Walk and Freo Fundamentals helping our children develop their footy skills. We are also looking forward to Friday's Year 2 assembly. I was lucky enough to get a little

sneak preview, and I think we're in for a treat! I won't spoil the surprise, but the children have certainly been working hard on their dance moves.

I'll be out of school for a couple of days this week as part of a Department of Education school review panel. It's a wonderful opportunity to learn alongside other school leaders and reflect on the practices that make great schools even better.

One thing you'll quickly learn about me is that I believe relationships are at the heart of everything we do in schools. I want every child to feel known, valued and excited to come to school, and I look forward to working together to make that happen.

Thank you again for such a warm welcome. I'm genuinely excited to be part of the Lake Monger community!

Warm regards,

Jaylene Fritchley

Principal

This Fortnight at Lake Monger

Djuripin Kaa Kaa Incursion

Our Year 2 and 3 students participated in the Djuripin Kaa Kaa incursion last week. It was a wonderful opportunity for students to engage in learning beyond their usual classroom experiences. Thank you to everyone involved in bringing this experience to our school.

Year 6 School Councillors Visit Parliament House

Our Year 6 School Councillors had the exciting opportunity to visit Parliament House last week. What a fantastic experience for our student leaders to learn more about democracy, leadership and how decisions are made in our community.

Opportunities like these help our students develop their understanding of the world around them and the important role they can play in it.

GENERAL NEWS

Planning 2027

It's hard to believe we're already thinking about 2027, but planning for the new school year is well underway!

To help us plan our classes, staffing and learning programs as accurately as possible, we ask families to let us know if their child **will not be returning to Lake Monger Primary School in 2027**.

If your child is currently in Pre-primary to Year 5 and will be attending another school next year, please notify our front office by emailing **lakemonger.ps@education.wa.edu.au**.

There is no need to contact us if your child will be continuing at Lake Monger.

Thank you to families who have already let us know. Your early communication really helps us with our planning and ensures we can make the best possible arrangements for our students.

A Little SunSmart Reminder

With the warmer weather arriving, it's a great time to remind everyone about the importance of sun safety. Please ensure children come to school with their school hat each day and are ready for outdoor learning and play.

Building good SunSmart habits is something we can all work together to encourage!

Crunch and Sip

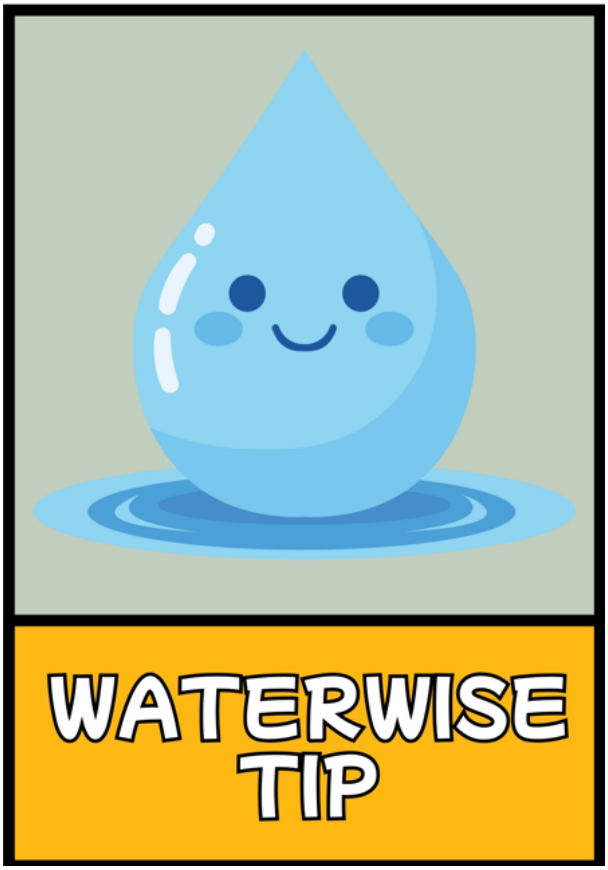

The Crunch and Sip program at Lake Monger Primary School was launched 9 years ago on the 28 August. Over this time, we have continued to see the program included as a part of the daily classroom practice. Children from Years 1 – 6 can be seen enjoying a small piece of either fruit or vege and drinking water as they 'refuel' for the next part of their learning program.

Parents know that we are very keen to remind the children about the importance of being healthy and staying healthy and we thank you for your continuing support of this very important program in our school.

Some Helpful Tips...

Keep showers to 4 minutes or less
One extra minute can waste over 1 bucket a day
That's 36 buckets a month

Assembly

Thank you to Mrs Humphryson, Miss Boswell and the Year 4/5 students for their assembly on Friday 25 September.

The next assembly will be on Friday 23 September, hosted by Miss Graham and Year 2 Aqua. We hope to see you there!

Congratulations to the following children who received awards at this assembly:

PRE PRIMARY

Student of the Week

- *Tshering Dorji*
- *Mila Kazantsev*
- *Hugo Williams*

YEAR 1

Student of the Week

- *Mantra Patel*
- *Younis Ali*
- *Choeying Nyugu*

YEAR 1/2

Student of the Week

- *David Jekic*

YEAR 2 AQUA

Student of the Week

- *Gelek Yangzom*

YEAR 2 ORANGE

Student of the Week

- *Alysia Mall*
- *Jamyang Pelden*

YEAR 3 LIME

Student of the Week

- *Elle-Mae Wilde*

YEAR 3 TEAL

Student of the Week

- *Ashleigh Koh*

YEAR 4

Student of the Week

- *Shrian Patel*
- *Troy Krakouer*

YEAR 4/5

Student of the Week

- *Tandin Zangmo*

YEAR 5

Student of the Week

- *Phuntsho Gurung*
- *Aleigha Coleman*

YEAR 5/6

Student of the Week

- *Tshering Pelden*
- *Yangsel Tshoki*

YEAR 6

Student of the Week

- *Inuka Bandara*
- *Meshv Patel*
