A Message from Our Principal

Term 3 concludes on Friday 25 September and Term 4 resumes for students on TUESDAY 13 OCTOBER. The staff will be involved in a School Development Day on Monday 12 October that includes reviewing what has occurred for students at Lake Monger Primary School in 2026 and planning accordingly for 2027. Term 4 concludes for students on Thursday 17 December.

Term 3 has been very successful with much achieved. There were many highlights throughout term with the most notable being Breakfast Club, external and school canteen, Swimming lessons, School photos, Years 1 – 6 Faction Athletic practice, the celebration of NAIDOC Week, STEM Week and Book Week, WA cricket front gate challenge, Football clinics in PE, visiting author incursions, the Faction Athletic carnival and Interschool Athletic Carnival including jumps, throws and long distance running, Pre Primary Athletic event, Town of Cambridge Art Awards, Student councillor fund raisers, P&C Father's Day stall, the Rotary 4 Way Test Speaking Contest, and NAPLAN results. Still to come is the Book Fair, Parent Night, the Year 4/5 item assembly and the Massed Choir event. Sadly, we said farewell to Ms Tomlinson who is enjoying Long Service Leave at the moment.

The Term 4 planner accompanies this newsletter. Parents, students and community members are asked to report any suspicious activity on the school grounds to School Watch on 1800 177 777 or School Security on 9264 4771.

General News...

PARENT NIGHT

Parent Night is on Wednesday 23 September. The evening will commence at 5:30pm and conclude at 6:30pm. All classrooms from Kindergarten – Year 6 will be open during this time. The evening is not a time for parent interviews but rather a time for children to have the opportunity to show their parents their great work.

Parents are most welcome to make an interview time with their child's teacher for a later date. It is planned for the music room and library to also be open on this night. Please take the opportunity to visit other classrooms. Children must accompany their parents at all times during Parent Night. The Book Fair, located in the library, will be open for sales on Parent Night.

MASSED CHOIR NEWS

The Lake Monger Primary School choir will be singing at the Massed Choir event on Tuesday 22 September commencing at 7:15pm at Perth High Performance Centre. Thank you to Ms Emily Ruddock for all her work with preparing the children for the event.

BUILDING UPDATE

A number of building works will be occurring over the holiday break including resurfacing of our basketball courts, installation of new doors between the music room and the undercover area and removal of the West Leederville Kindergarten classrooms. The basketball courts will be fenced off for the resurfacing work to be completed.

SAFETY HOUSE DAY

A safety house is part of a program that keeps our children safe when they are walking to school and home. These houses have been police checked and are recognised by the yellow Safety House sign on the letterbox. On Thursday 24 September, children should be encouraged to notice any safety houses as these houses will have a yellow balloon on their letterbox.

SCHOOL CAPTAINS 2027

The selection process for the two school captains for 2027 will commence in Term 4. All Year 5 students who are attending Lake Monger Primary School in 2026 will be considered. Teachers, after due consideration select the school captains. The following are considered by teachers in the selection process include:

- Attendance
- Wearing of the school uniform
- Upholding the school values
- A good, positive role model
- Willing to give up their own time when the need arises.
- Arrive at school in time to do before school duties
- Organisational capabilities
- Represent the school positively in the community
- Public speaking attributes.

The children will be informed of the process and given the opportunity to withdraw from the process if they choose to do so. The 2027 school captains will be announced at the Year 6 Graduation assembly on Friday 4 December.

STUDENT ASSISTANCE PAYMENT

Just a reminder that claims for the 2026 WA Student Assistance Payment are closing soon. You need to submit your claim by Friday 25 September to claim your $150 for each Primary and Kindergarten student. You will find your child's student number on their school report which was sent via CONNECT at the end of Term 2.

BAN ON SMART GLASSES

From Term 4 there is a new Department of Education rule about **smart glasses**.

Smart glasses are banned from school and from events run by our school.

This rule is for everyone.

What are smart glasses?

Smart glasses have hidden cameras, microphones, or computer screens inside them.

Why do we have this rule?

We want everyone to feel safe at school. Smart glasses can take photos and videos without anyone knowing.

What should you do?

Please do not bring smart glasses to school or school events.

Normal reading glasses, sunglasses and prescription glasses are allowed.

Thank you for helping us keep our school safe.

Recently at Lake Monger...

Town of Cambridge Art Awards

Congratulations to Eri Wilson, Kindergarten, for her artwork receiving High Commendation Award at the Town of Cambridge Art Awards evening held on Wednesday 16 September.

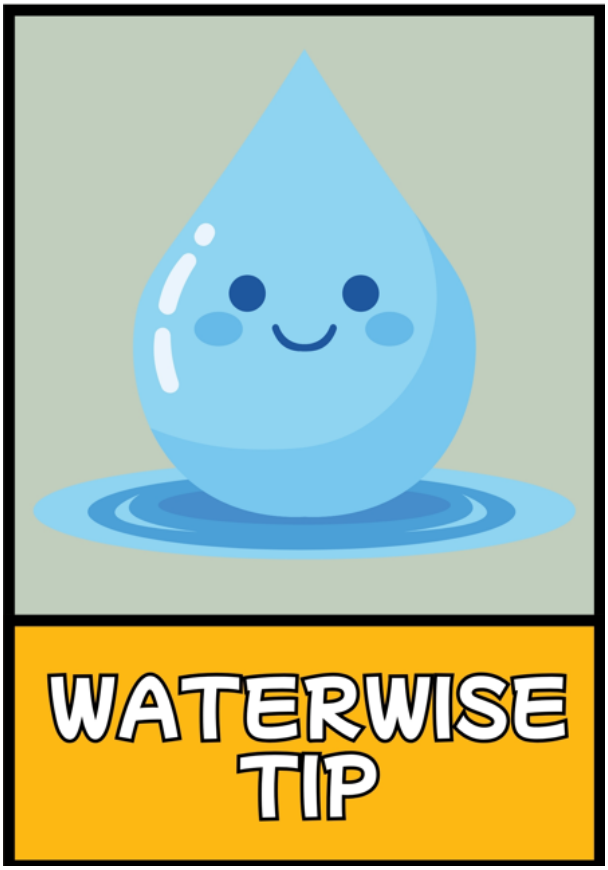

Student Council News

The student councillors recently organised a loud shirt day fundraiser for Diabetes WA. Thank you to the school community that supported this fundraiser, raising a total of $307.90 for the charity.

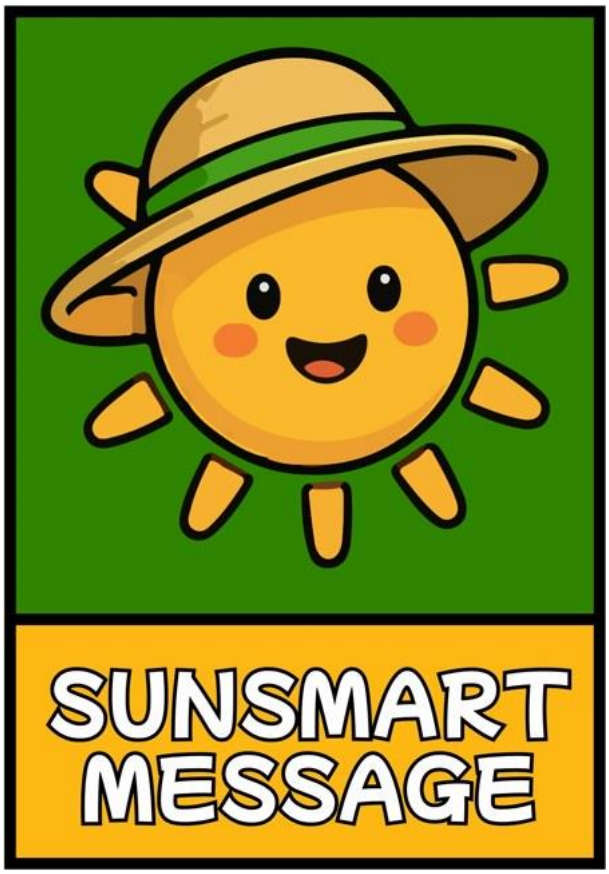

Interschool Athletics Carnival

Congratulations to our interschool athletics team who competed on Tuesday 15 and Friday 18 September at Balcatta Primary School. We placed 3rd in the outright shield. The team's performance was outstanding both on and off the track. It was wonderful to receive a number of positive comments from staff from other schools about the behaviour of our students. A massive thank you to Mr Justin Douglass for all his work with this event. It is always a pleasure to see the pride on our students faces when they represent Lake Monger Primary School.

Congratulations to Guhan Ramesh Babu (Y2) Rani Patel (Y4) and Jamsoel Lhendrup (Y6) for being awarded runner up champion athletes.

a month

Why does sun safety matter so much for young children in Perth?

Western Australia sits under high levels of ultraviolet radiation for most of the year, and Cancer Council WA notes that exposure to UV during childhood and adolescence significantly increases the risk of developing skin cancer later in life. That is a sobering thing to read as a parent, and we share it gently, because the encouraging part is that the habits formed in these early years tend to last a lifetime.

Young children are outside a great deal, which is exactly as it should be. Sunshine and fresh air support movement, curiosity, sleep and wellbeing in ways that no indoor space can replicate. The goal is never to keep children indoors. It is simply to make sure that when they are outside, they are protected, and that they grow up thinking of a hat and a shady spot as an ordinary part of getting ready to play.

Assembly

Thank you to Mrs Caitlin Gillam, Miss Emily Harcourt and the Year 1 White class students for their assembly on Friday 11 September.

The next assembly will be on Friday 25 September, commencing at 8.40am in the Undercover Area, hosted by the Year 4/5 class. We hope to see you there!

Congratulations to the following children who received awards at this assembly:

STUDENT OF THE WEEK

PRE PRIMARY

- *Choyang Euday*
- *Ayang Peljor*

- *Eli Stoyel-Wiggins*

Connection WA

About Gen Muir

Connected Parenting founder Gen Muir is a parent educator, author, social worker, grief counsellor and mother of four boys. She is passionate about helping families to connect and thrive amid the many challenges of modern parenting.

Gen has appeared on Sunrise, The Today Show, The Morning Show, The Project, 2Day FM, ABC, SBS Insight, TEDx Speaker (2025).

Her recent book, Why Kids Need Boundaries (2026), Little People, Big Feelings (2024), and her co-hosted podcast, Beyond the Chaos, provide valuable resources for those working with or raising children.

For more information visit:
connectedparenting.com.au

Why Kids Need Boundaries

In this FREE presentation, Gen Muir breaks down a practical, no-nonsense framework for setting limits that actually land - and raising kids who can handle frustration and big emotions without falling apart.

You'll learn how to:

- Set a boundary in four clear steps
- Establish core family rules
- Handle defiance, meltdowns, and pushback
- Understand whether punishments work and what to do when kids break the rules
- Build a structure for managing sibling rivalry, screens and more

Leave with practical ideas you can use right away.
